## AUDIO/NARRATION

---

Tempo Events is a game-changing technology platform that revolutionizes race and event production. Our platform saves you time, increases your attendance, and streamlines event prep and check-in.

Tempo Events makes your customers' registration and check-in quick and hassle free. With Tempo, your event is a winner every time.

Your customers experience the difference when you partner with Tempo and the industry's most advanced dynamic bib and chip assignment.

### Quick & Easy Check In:

- Entrants can bring a printed confirmation, display it on their mobile device or be looked up by name on any tablet for a quick and efficient check in.
- Tempo's fleet of tablets increases accuracy, adds cool factor, and streamlines check in.

### Eliminate Time Consuming Prep:

- Assign bibs and chips at check-in and eliminate time consuming packet prep. Re-allocate volunteers to tasks that add value and increase the quality of your event.
- All Tempo tablets display entrant medical information that is quickly retrieved by medical or event staff making your event the safest anywhere.

### Fast & Easy Web-based Platform:

Highlighted by straightforward, single page event setup, the Tempo Events back end is powerful yet easy to learn and use. You'll appreciate our rich reporting suite and streamlined interface for easy

---

## VIDEO/GRAPHICS

---
